

Thrive![®] – Thriving future for all forever

| | |
|---------------------------------------|---|
| What is Thrive? | Thriving and surviving future forever for all (humans, other creatures and Earth). All thrive forever. [®] |
| Why Thrive? | Unique among Earth's species, humans <u>need to survive and want to thrive</u> both near and long term. Achieve <u>thriving</u> future - thrive and survive, low vulnerability, avoid early extinction of humans and other creatures, and avoid extensive damage to Earth. Avoid <u>current endangered</u> future - not thrive and not survive, high vulnerability, early extinction of humans and other creatures, and extensive damage to Earth. |
| Is Thrive truly different and better? | Thrive is not just getting by or achieving a surviving future. Is <u>achieving thriving future</u> . Thrive is not just for some people. Is <u>for all people</u> . Thrive is not just for current and next generation. Is <u>for current and all future generations</u> . Thrive is not just for humans. Is <u>for humans, other creatures and Earth on which we depend</u> . |
| Can we achieve Thrive? | We can <u>if we act now</u> . It is still our choice to make. But time has almost run out. We can <u>if we use our full ability</u> . We have the ability as we are most able in all human history. We can <u>if we care enough about self, everyone, everything else and Earth</u> . We must stop selfishness. We can <u>if we care enough about both near- and long-term future</u> . We must stop shortsightedness. |
